

## Overseas Property

Posted by apogee - 2010/03/03 18:40

---

You say in your 5-minute guide that rental income losses from overseas property cannot be offset against UK profits. Can capital losses be offset in any way?

Hi,

Losses on foreign property can be offset against other capital gains in the same year or later years.

Do email me or call the office if you require professional assistance with your affairs.

Cheers
